

Chapter 1

An Infant's Astonishing Right Brain Calculation Capability

- 1. The Right Brain's Distinctive Calculation Capability 12
- 2. Science Verifies the Calculation Capability of the Right Brain 14
- 3. An Infant's Astonishing Right Brain Calculation Capability 15
- 4. Why Are Infants Easily Able to Do Complex Calculations? 22
- 5. Unlearned Faculties at Work in the Right Brain 27

Chapter 2

ESP: The Fundamental Ability of the Right Brain

- 1. The Functions of the Right Brain Are Not Yet Well Known 34
- 2. The Right Brain Has its Own Five Senses 35
- 3. The Cells of the Human Body Are Innate ESP Receivers 37
- 4. Deepening Our Understanding of Energy Waves 39
- 5. Unborn Babies Have Image Visualization Ability 42
- 6. ESP Is a Natural Sense of the Right Brain 45

Chapter 3

Functions Hidden Away in the Right Brain

- 1. Four Special Functions of the Right Brain 54
- 2. Resonance and Image Visualization Functions in the Right Brain 55
- 3. The High-Speed Mass Memorization Function 59

- 4. The Importance of Training Right Brain Memory from Childhood 62
- 5. Employing Image Memory for Speed-Reading 63
- 6. The High-Speed Automatic Process Function 65

Chapter 4

About Images

- 1. The Scientific Search for the Right Brain's Imaging Power 68
- 2. Image Visualization is a Universal Right Brain Function 69
- 3. Cultivating the Ability to Create Clear Photographic Images 73
- 4. Infants Are Born with Imaging Capability 75
- 5. Providing a Child with the Opportunity to Develop His Imaging Capability 77
- 6. Image Training Is Not Difficult 79

Chapter 5

Differences Between the Left and Right Brains

- 1. Two Computers Functioning in the Brain 84
- 2. Differences in Left and Right Brain Functions 87
- 3. Cerebral Function Localization Theory 89
- 4. Left and Right Brain Memory 92
- 5. Right Brain Memory's Excellence at Infancy 94
- 6. Developing Right Brain Image Memory 99

Chapter 6

The Importance of Left and Right Brain Synchronization

1. Left and Right Brain Metamorphic Consciousness
Synchronization 104
2. The *Ganzfeld* Experiment 106
3. The Wisdom of the Theory of “Opportunities for Talent
Formation” 107
4. Geniuses Synchronize Their Right and Left Brains 109
5. Entering Metamorphic Consciousness Through Meditation
..... 112
6. The Intelligence of Savants: Their Abilities Are Only One Step
Removed From Geniuses 114

Chapter 7

Understanding Waves

1. Historically, Science Has Been Material Science 118
2. The Human Body Is a Super Computer 119
3. Developing Right Brain Memory 120
4. Developing The Right Brain Through Image Memory
Training 122
5. Becoming Aware of Psychic Information and Using It
Effectively 124
6. Let’s Understand ESP 128
